SECURE BUSINESS BANKING

Introducing Secure Business Banking from a name you already trust.

New Zealand Couriers is proud to offer an addition to our extensive range of products and services called Secure Business Banking - assisting businesses in transporting banking and valuables safely, eliminating risk to their personnel.

Do you worry about your staff carrying valuables or cash deposits to the bank?

With our new Secure Business Banking service, we'll pick up your deposits and deliver them to the bank the same day. It's simple, secure and, starting at just \$11.95 a day, it offers great value and peace of mind.

WE VALUE INNOVATION - ESPECIALLY WHEN IT MEANS MAKING LIFE EASIER FOR OUR CUSTOMERS

Our same day Secure Business Banking service will minimise risk and maximise efficiency for your business.

To ensure we provide the highest level of service and the best reach possible, we've aligned ourselves with industry experts Security Express – also a member of the Freightways Group.

With 25 years of experience in security processes and protocol, high spec'd vehicles and GPS satellite tracking, all backed by the solid reputation of New Zealand Couriers, you could say "the security of your business is something you could take to the bank".

*Based on a minimum of five local movements per week.

Why you should do business with us.

- » The highest level of security backed by 25 years of industry experience.
- » High spec'd, modern vehicles with 24 hour GPS satellite tracking and multiple communication channels.
- » A tailored service, suited to your requirements, layered with security features and procedures.
- » Physical audit trails that provide "a documented chain of custody" for each transfer.
- » Tamper proof bags checked at each point of the delivery.
- » Insurance coverage of up to \$20,000 per consignment.
- » One consolidated New Zealand Couriers invoice; one New Zealand Couriers account, one key contact.

TEN GREAT REASONS WHY YOU CAN TRUST OUR SERVICES

Our Security Express team and vehicles are finely tuned to achieve one simple thing - keeping your business, your business.

- » All staff and drivers are Ministry of Justice License holders under the Security Guard and Private Investigators Act 1974.
- » All front line staff wear Security Express uniforms – licenses and identification are carried and displayed at all times.
- » All drivers complete comprehensive cash transportation training to enhance awareness of potential security risks and develop appropriate emergency response skills.

- » 24 Hour GPS satellite tracking so vehicles can be immediately located.
- » Customised industry specific locks on all doors.
- » Solid metal windows and security grills on driver and passenger windows to bar forced entry and conceal contents from view.
- » Secure bulkhead separating the front cab from the freight area.
- » Vehicles have unique identifiers designed for air surveillance.
- » Mobile PDA for job detail, communication, data capture and information despatch.
- » RT communication and mobile phone back-up.
